Saari

The Saari collection is a seating system of chairs, armchairs, sofas and benches designed for restaurants, bars, hotels and lobbies. A synthesis of classic and contemporary, its sculptural shape is enhanced by a wide range of colors and materials. Available as chair, armchair, bucket seat and a one-, two- and three-seat sofa and bench. Wood and metal frame upholstered in fabric or leather is mounted on a four-leg steel base which can be lacquered, chromed or veneered. The armchair and bucket chair are also available with trestle base, with or without castors.
