AAL 91 DESIGN BY HEE WELLING & HAY

Featuring an elegant, sculpted shell designed for comfort and visual lightness, this high-backed version of the About A Lounge Chair has an aluminium four-leg star swivel base and includes an upholstered seat cushion that complements the shell upholstery. Offered in a wide choice of upholstery options and different base finishes, AAL 91 is suitable for a broad range of public and private contexts. Fixed seat cushion mounted with Velcro.

EN TEST
EN 16139 - L2
Non-domestic seating

SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC®-certified wood (FSC-C148805), and bio-based foam that helps lower our products' overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.
