

Assembly & Care Guide

Rise & Shine Wall Mirror

The Rise & Shine Mirror is carefully made and therefore every item is unique.
It may occur different expression in the material and surface, with smaller marks and minor deviations.

SAFETY INSTRUCTIONS

Please read the instructions carefully and retain it for future reference. **New Works Aps** is not responsible for any faults or damages caused by not following the instructions correctly.

Keep the product out of children's reach. Dispose the packaging and do not allow children to play with it.
The Rise & Shine Wall Mirror is only intended for indoor use.

Do not modify the product in any way that is not described in the assembling guide.

In rare cases, a damaged edge or scratched surface can cause the mirror to suddenly crack into small pieces. Such crack may cause sharp fragments, however, this is extremely rare. Avoid collisions from the side – this is where the glass is most vulnerable.

CLEANING

Wipe the Mirror with a soft dry or moist cloth. Do not use any abrasive cleaning tools, and never use strong cleaning agents such as household glass cleaner, white spirit or turpentine.

Assembly & Care Guide

Rise & Shine Wall Mirror

ASSEMBLING:

Please follow the instructions carefully when assembling the Rise & Shine Wall Mirror.

The Rise & Wall Mirror should be mounted by two people only.

1. Mount the wall fitting (A) on the wall (Recommended height is 2,15 m from the center of the wall fitting and down to the floor) screws may only be used for brick and Concrete walls. (If any doubt contact your local hardware Store)

2. Slide the middle parts (B/C/D) on the wall fitting and lock it by mounting the wooden front piece (E) tight.

3. Make sure to be two people when hanging up the mirror, one holding the Mirror (G) and one the weight (H) while turning the rope (F) three times around the wheel (Make sure the Brass/Metal weight is hanging closest to the wall.)

CONTENTS:

- A - Wall Fitting
- B - Wooden Back Piece
- C - Nylon Wheel
