Nakki Modular sofa

Designed by Mika Tolvanen

English text

Classical. Modern. Timeless. Nakki expresses a distinctive design language, formed to bring a sophisticated yet cheerful personality to the ambience. With a clear intention to form a series that is especially suitable for every public space and contract setting, the Nakki Modular modules were developed. Consisting of five individual modules and a mountable table, together the series allows an unlimited number of combinations.

Its square contour and straight legs are contrasted with its soft-shaped seat and back, creating an appealing silhouette that naturally fits into any space. From hotels and co-working spaces to restaurants and cafés. Available in nine different price groups.

Designed by Mika Tolvanen

Mika Tolvanen is a renowned Finnish designer. After graduating from The Royal College of Art, London, he established his own studio. Today he runs Studio Tolvanen together with his spouse, Julie Tolvanen, creating playful and characteristic designs with an aim to make new designs more exciting. He believes that good designs stem from comprehension of materials and a desire to improve how they work.

Danish text

Klassisk. Moderne. Tidløs. Nakki formidler et karakteristisk formsprog, der er tegnet for at skabe en sofistikeret men livlig personlighed til rummet. Med en klar vision om at designe en sofa-serie, som er særligt velegnet til store åbne rum, blev de modulære Nakki moduler udviklet. Serien består af fem selvstændige moduler og et integreret sidebord, som sammen danner et grundlag for et ubegrænset antal kombinationer.

Det firkantede omrids og de minimalistiske ben står i smuk kontrast til det bløde sæde og ryg, hvilket skaber en tiltalende silhuet, der naturligt passer ind i ethvert rum. Nakki er tilgængelig i ni forskellige prisgrupper.
