- The series also includes an extendable version (CPH 30 extendable) and desks (CPH 10, CPH 90, CPH 190)
- Suitable for a wide variety of private and public environments

CPH 20 ROUND TABLE
DESIGN BY RONAN & ERWAN BOUROULLEC

Sharing the same characteristic angled legs as the rest of the Bouroullec brothers' Copenhague range, the CPH20 table features a round tabletop that softens the engineered expression. The three-legged table frame comes in different sizes and is available with tabletops and frames in a variety of wood types, materials, and colours, with the possibility to select matching or contrasting combinations. Equally suitable for intimate meetings and larger, café-like environments, this versatile table has an ability to blend into private homes as well as public spaces.

CPH 20 Ø90 | Black oak tabletop | Black oak frame

MATERIALS

TABLETOP
Linoleum, laminate or veneer top with water-based lacquered MDF edge matching frame colour

FRAME
3-legged solid wood

FSC™ MIX 70%
Made from FSC™-certified wood
and other controlled materials.
Applies to laminate- or veneer tabletops.

SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC™-certified wood (FSC-C148805), and bio-based foam that helps lower our products' overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.
