FURNITURE / LIGHTING / ACCESSORIES

PRODUCT FACT SHEET

MIKA TOLVANEN ON THE DESIGN "VISU WIDE chair is a new member of the expanding VISU chair family. The task was to create a personal interpretation of the ever-relevant plywood chair. I wanted my chair to have an unobtrusive and timeless nature that is familiar but never boring and without sacrificing function or ergonomics. The generous proportions of VISU WIDE ensure high comfort and an exclusive appearance."

PROCESS

Shell is form pressed from wood veneer, then lacquered. Wood base is form pressed in veneer.
